SUMMARY

Computer Science student with practical experience in full-stack development, primarily working with Java/Spring Boot, C#/.NET, and Angular. Experience with REST API development, software architecture, databases, Docker, and CI/CD. Seeking an internship in software development to expand my technical experience and contribute to software development teams and projects.

TECHNOLOGIES

Languages & Frameworks: Java, Spring Boot, C#, .NET, JavaScript, TypeScript, Angular
DevOps & tools: Postgres, Mysql, Docker,Git, Github Actions

EXPERIENCE

Laboratório de Visão Computacional e Inteligência Artificial (Vicia) - IFCE
Full-Stack Developer | March 2026 - September 2026

- Worked with Spring, Angular, Docker, and AWS to contribute to the development of a language-learning SaaS for a private company.
- Developed internationalization features and integrations with AWS services, including Cognito and S3, using Docker for the database environment, in addition to working with agile development practices.

Núcleo de desenvolvimento de software (NDS) - IFCE
Full-Stack Developer | August 2026 - Present

- Worked on the full-stack development of a new version of the campus internal system, using .NET on the backend and Angular on the frontend.
- Developed data scraping solutions and participated in software engineering practices, including code review, CI/CD pipelines, and code quality analysis with SonarQube.

Laboratório de Telemática, Acessibilidade e Projetos Educacionais (Ltap) - IFCE
Backend Developer | August 2026 – Present

- Worked as a backend developer using Java/Spring Boot to build a SaaS for property management for a private client.
- Worked with microservices architecture, GitHub Actions, and Docker for each individual service.
- Implemented automated dependency analysis in a CI/CD pipeline, identifying more than 90 vulnerabilities.

EDUCATION

- Federal Institute of Education, Science and Technology of Ceará (IFCE) - Bachelor's Degree in Computer Science | 2025 - 2028

LANGUAGES

- Casa de Cultura Britânica - UFC - Currently in the 4th semester
- English course - Advanced Certificate 1 | Youth Space
